APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A substantial weir must be installed and maintained to facilitate the measurement of water. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 13.2 cubic feet per second.

Actual construction work shall begin on or before April 10, 1945

Proof of commencement of work shall be filed before May 10, 1945

Work must be prosecuted with reasonable diligence and be completed on or before April 10, 1947

Proof of completion of work shall be filed before May 10, 1947

Application of water to beneficial use shall be made on or before April 10, 1948. Proof of the application of water to beneficial use must be filed with State Engineer on or before May 10, 1948

WITNESS MY HAND AND SEAL this 10th day of October, 1944

State Engineer. (Signature)
